

SHOULD I GET THE DRINK PACKAGE?

Our group rate for The Malanka Cruise 2025 includes the Classic Beverage Package, but you can actually choose any of the packages—or book your room without it! If you book without the drink package, there may be reduced price offerings emailed to you before the cruise, so if you change your mind you can still save money— but decide before then because it's always the most expensive once you're on board the ship!

Here's the basic information about Celebrity's drink packages:

ZERO PROOF (non-alcoholic) PACKAGE includes:

Premium coffees and teas
Bottled drinks like Red Bull, Vitamin Water and iced teas
Fresh juices, frozen smoothies, and mocktails
Coca-Cola selections
Premium waters (Perrier, San Pellegrino, Panna, Evian)

CLASSIC PACKAGE includes:

Premium coffee and teas
Juices, smoothies, non-premium waters
Alcohol: Beers, spirits, cocktails, liqueurs, frozen drinks,
and wines by the glass up to \$10 per serving*
15% discount on all wines by the bottle

PREMIUM PACKAGE includes:

Everything in the Zero Proof Package
Alcohol: Beers, spirits, cocktails, liqueurs, frozen drinks,
and wines by the glass up to \$17 per serving*
20% discount on all wines by the bottle

* OTHER THINGS TO KEEP IN MIND:

- You can still order drinks that are over \$10 for Classic (or \$17 for Premium), and the amount over the limit will be charged to your account. Some cruisers note that they will say the word “classic” when ordering drinks in order to avoid being served a premium drink and having an upcharge apply; conversely, if you have a premium package you might then specify the type of liquor you want in order to receive a premium brand and not the bar brand.
- The Drink Package Policy requires all guests wishing to purchase a package to do so for ALL guests of legal drinking age in the same stateroom. This policy applies to packages purchased pre-cruise or onboard. Should one of the guests be ages 13-20, the package will be changed to the Zero Proof package.
- Gratuities of 20% are included in all package prices; a 20% gratuity is also added to the purchase price of individual drinks on board.
- FINALLY--Your room's mini-bar is not included in any package; ask your stateroom attendant to remove the contents if you don't want to accidentally buy something.
